

Welcome to the Agroecology Coalition!

The **Secretariat team**, composed of **Oliver, Amélie, Valentina** and **Emile**, wishes you a warm welcome to the Agroecology Coalition! We are looking forward to working with you and **transforming our food systems through agroecology** together.

On-boarding meeting

The Agroecology Coalition organizes **monthly on-boarding meetings with the Secretariat team and new members**. This will enable us to get to know each other, introduce you to our team, structure, activities, working groups, and clarify the role you can have as a new member of the Coalition. As a new member, you will receive a meeting invitation. If you have any questions about the meeting, please contact Amélie at a.steu@agroecology-coalition.org

To get started properly, we strongly encourage you to read our **brochure** (available in French, English, Spanish and Portuguese) and have a look at our **website**. Please also make sure that you fill in the **membership information form**.

The Coalition's external communication channels

To engage with us and follow the latest news, we strongly encourage you to visit regularly our **website** and to **follow us on our social media**! We are on:

- **LinkedIn**
- **Twitter**
- **Facebook**

We regularly showcase new members on our social media accounts (see here one example) and include them on our **membership page**.

The Coalition has a **quarterly newsletter** (first edition, second). You can **subscribe here**.

Feel free to **send to Valentina the content (publications, initiatives, videos, etc.) you would like us to feature** on our social media, newsletter and website at v.pavarotti@agroecology-coalition.org. We have created a dedicated **page "resources"** for this on our website.

The Coalition's internal communication channels

To get in touch with the **Secretariat team**, the contact details are:

- **Oliver Oliveros**, Coordinator, o.oliveros@agroecology-coalition.org
- **Amélie Steu**, Associate Coordinator, a.steu@agroecology-coalition.org
- **Valentina Pavarotti**, Communications Officer, v.pavarotti@agroecology-coalition.org
- **Emile Frison**, Senior Advisor, e.frison@agroecology-coalition.org
- **General secretariat e-mail**, secretariat@agroecology-coalition.org

The Agroecology Coalition does not use a specific Intranet, **we usually share documents on a Google drive and via emails**. Relevant links to folders will be shared in this welcoming pack.

Members meeting

The Secretariat team organizes meeting for the **full membership (focal points) twice a year**, usually during Fall and Spring. These meetings last **2 hours**, are **online**, and interpretation service is available in **English, French and Spanish**.

Members meetings **documents** are available on our drive [here](#).

Working Groups

The Agroecology Coalition has **five Working Groups (WG)** in order to implement its activities. The objectives, activities and co-facilitators of each Working Group are listed [in the hyperlinks below](#). Each WG meets online for **1h30** and every **three months**. The meetings are held in **English**.

- **[Communications WG](#)**

Meeting **documents**, including the **list of members**, are available [here](#). Exchanges within the group is made via this mailing list communication-wg@agroecology-coalition.org

- **[Finance & Investments WG](#)**

Meeting **documents**, including the **list of members**, are available [here](#). Exchanges within the group is made via this mailing list financing-wg@agroecology-coalition.org

- **[Implementation WG](#)**

Meeting **documents**, including the **list of members**, are available [here](#). Exchanges within the group is made via this mailing list implementation-wg@agroecology-coalition.org

- **[Policies WG](#)**

Meeting **documents**, including the **list of members**, are available [here](#). Exchanges within the group is made via this mailing list policy-wg@agroecology-coalition.org

- **[Research, Innovation & Education WG](#)**

Meeting **documents**, including the **list of members**, are available [here](#). Exchanges within the group is made via this mailing list research-wg@agroecology-coalition.org

Repository of agroecology initiatives and projects

Under the Implementation WG, the Agroecology Coalition developed a [form](#) to collect **initiatives/projects/case studies on agroecology** in order to highlight how agroecology can be implemented and mainstreamed in the world. **This repository is available for the general public on our website under the section "[Agroecological Case Studies](#)".** We encourage you to fill in the [form](#) if your organization implements such initiative please.

If you have any questions about the repository, please contact Amelie at a.steu@agroecology-coalition.org

Tracking tool on funding towards agroecology

Under the Finance & Investments WG, the Agroecology Coalition developed with the NGO Stats4SD an [online tool](#) enabling **donors and investors to include their portfolios and projects anonymously**. This tool assesses the projects according to the **13 principles** on agroecology developed by the HLPE and enables to **track how much funding are allocated to agroecology in donors' portfolios**. More information is available on our website.

If you have any questions about the tracking tool, please contact Emile at e.frison@agroecology-coalition.org
